CTIM leading Tourism charge

Introducing ... Caribbean Tourism Investment Management Inc. (CTIM, Inc.). CTIM, Inc. was established in 1992 and through a focused and dedicated management team, it has grown to become one of the most respected names in the Real Estate, Tourism and wealth creation sectors in Barbados. Pictured here is Timothy Boyce, Managing Director of CTIM, Inc., with his team that includes Dorea Stephenson, Monique MacKay and Suzanne Hinds, who are leading the charge at CTIM into the Canadian market. From its independence in 1966, Canada has been the big brother to Barbados' development. Most of the banks and financial institutions in Barbados are Canadian owned (Scotiabank, Royal Bank and CIBC). Barbados' company laws have been patterned after the Canadian model. CTIM, Inc. being cognizant of this strong relationship, has a team of well-trained Canadian personnel to offer Canadians the ease of doing business and being at home in Barbados.

Boosting Guyana's tourism

TOURISM THRUST: It took some to bring home the Guyana Tourism ad to Equality News. And yes, it was done by the Vice President himself Dr Bharrat Jagdeo. His Excellency saw what Prime Minister the Most Honourable Madame Mia Amor Mottley of Barbados did in exposing her country's Tourism to North American readers, with a full Back Page Ad in Equality News, and took the opportunity the match the exposure Equality news is bringing to Barbados. Guyana has been named as one of the leading new tourism destinations in the world by several international publications, and the country is moving to attract people in the Diaspora by showcasing what the country has to offer visitors. Guyana tourism is big business and we are most thankful to Vice President Jagdeo for ensuring our Diaspora and readers around Planet Earth see what Guyana has to offer. (See back page). Above, VP Jagdeo is pictured enjoying a copy of Equality News and a cup of good Guyana coffee with Equality publisher Bhaskar Sharma.
